Pluralistic Israel: Women, Minorities and Diversity
HOSTED VIRTUALLY BY THE UNIVERSITY OF ILLINOIS, URBANA CHAMPAIGN
JUNE 7 - JUNE 9, 2021

Dear Presenters,

Thank you for registering for the 37th Annual Conference of the Association for Israel Studies. I am delighted to share the Program for Presenters with you:

[PROGRAM FOR PRESENTERS](#)

Presenters: Please note the date and time of your session(s), and in particular any in which you have been added as Moderator or Chair. (Based on a “yes” answer to the question posed on your registration form). Do let us know if you find you cannot take on this role.

- Moderators partner with the Chair by handling the technical aspects of the Zoom meeting: Recording the session, Muting audience members, Checking the Chat and Hand-raise options for good questions to pass on to the Chair.
- The Chair introduces the speakers, manages the time, and poses questions from the audience or calls on people to pose them.

Sessions switch out very quickly, a necessity for this conference of 16 time zones! We will send out a detailed FAQ for accessing and using the online platform, and will give you time to practice on it.

Presentation Timing: Sessions are 90 minutes in length. If your panel has 2-3 speakers/papers allot 20 minutes per presentation. If your panel has 4-5 speakers/papers allot 15 minutes per presentation. If you are on a roundtable, please contact your chair or roundtable organizer to clarify the length and format of your presentation. All sessions should allow time for Q&A.

We look forward to hearing your contribution to this rich, varied and stimulating program.

Sincerely,

Rachel S. Harris
Conference Chair
