INNATE IMMUNITY UPDATES

Welcome to the iISiAR News Bulletin, your go-to source for the latest updates in the European Innate Immunity community. This bulletin brings you key events, career opportunities, and unique resources to support your research and professional journey. Whether you're searching for upcoming conferences, job openings, or cutting-edge research tools, you'll find everything you need right here.

We encourage group leaders, students, and industry professionals to get involved and help us expand and strengthen the iISiAR community. For more information, visit our website [here](#).

Opportunities

Call for enlisting

International Support Team (IST)

The IST provides experienced investigators and group leaders from non-European countries the opportunity to participate in iISiAR's activities and be involved in shaping its future. Members are listed on the iISiAR website with links to their group's websites, get priority for presenting at the 2026 seminar series, and at annual iISiAR forums. They can share job postings, resources, and event announcements in the monthly News Bulletin and stay updated on iISiAR activities. Membership is €50 annually, with a 50% discount for attending the annual forum (including the 4th Resolution Days meeting). For more details please see [IST](#).

Call for enlisting

young Study Group (ySG)

The ySG offers early-career researchers and students world-wide a chance to engage with iISiAR's scientific community. Members are listed on the iISiAR website, get priority for travel scholarships to iISiAR forums, and may secure oral presentation slots at standalone forums (excluding 4th Resolution Days). They also receive access to the iISiAR News Bulletin for updates on jobs, resources, and events. Membership costs €30 annually, with a 50% discount for those attending the annual forum. For more details please see [ySG](#).
