

Engines of Growth 2026

CYBER • AI • QUANTUM • APPLIED RESEARCH

November 23–24, 2026 | Downtown Toronto

Downtown Toronto | Location shared with confirmed guests

By  **CYBERTECH**GLOBAL & **NexTech** In collaboration with:  CANADA-ISRAEL CHAMBER OF COMMERCE  

Continuing the success of Engines of Growth Toronto 2025, Engines of Growth returns to Toronto, bringing together founders, executives, investors, government officials, researchers and technology leaders from Canada, Israel and around the world.

The invitation-only gathering will explore Cyber, AI, Quantum and Applied Research, with a focus on the technologies, applications and ideas shaping healthcare, financial services, critical infrastructure, investment and the commercialization of breakthrough research.

Meet. Connect. Build Business.

Monday, November 23 | 6:00 PM
