## 3<sup>rd</sup> Translational & Clinical Research Conference MYELOPROLIFERATIVE NEOPLASMS & Myeloid Diseases

יום חמישי, 09 מאי, 2024, מלון דן אכדיה הרצליה

As the chairperson of the conference and on behalf of my co-chairmen, and the Israeli MPN study group, I am pleased to announce the 3<sup>rd</sup> Translational & Clinical Research Conference on Myeloproliferative Neoplasms (MPN) and Myeloid diseases.

It should emphasize the outstanding impact of this symposium on our hematology community, which motivates us to continue organizing this event on an annual basis.

### Some of the topics that will be discussed include:

Polycythemia Vera and Essential Thrombocythemia

Myelofibrosis

Eosinophilic syndromes / Mastocytosis

Cytogenetics on MPN

Thrombosis and Bleeding in MPN

There will also be an expert discussion on the treatment of MPN diseases.

Join us for this important conference by sponsoring, according to one of the options detailed below.

The conference provides a natural forum for attendees to interact with pharmaceutical companies' representatives, and an opportunity for companies to provide updates on research and products.

We will be glad to guarantee the option to exhibit at the Exhibition Center during the scientific meeting.

We are sure that together we will be able to hold a scientific conference at the highest level.

Hope to see you at the conference!

Sincerely,

Chairman: Dr. Adrian Marcelo Duek

Co-chairmen: Dr. Merav Barzilai, Dr. Eran Zimran

Chairman of the Israeli Myeloproliferative Neoplasm Study group: Dr. Adi Shaham Abolafia
